

MIGRAINE WORLD SUMMIT

Below are two paragraph description options that can be used to help describe the MWS:

Option 1)

The annual Migraine World Summit is the best-kept secret that has made a difference for over 110,000 people. Don't get left behind this year. Attend from the comfort and privacy of your home from March 18-26, 2020. Get complimentary access when you register today >>

Option 2)

The Migraine World Summit has become the largest event in the world for migraine and headache. Over 100,000 people have participated from 158 countries. The online event raises awareness, educates patients and unites the global migraine community with the help of 32 experts and 12 migraine nonprofits. Our experts are specialists, researchers and professors from world-leading institutions, hospitals, universities and headache clinics. Get complimentary access for the online event when you register today >>
